WEB SITE DEVELOPMENT AGREEMENT

This Agreement is made the _____ day of _____, 200__ ("Commencement Date") between <<Company>> <<Address1>> <<City>>, <<State>>, <<PostalCode>> <<Country>> ("Developer") and <<CustCompany>>, ("Client"), and collectively referred to as the "Parties."

WITNESSETH

Whereas, Developer is in the business of offering Internet services relating to development of sites on the World Wide Web portion of the Internet, and is willing to provide services to Client on the terms and subject to the conditions set forth below; and

Whereas Client desires to engage Developer, and Developer desires to be engaged by Client, to provide Internet services on the terms and subject to the conditions set forth below.

Now, therefore, the Parties hereby agree as follows.

1. Developer Services.

Developer agrees to provide Client with services for development of a Web site on the World Wide Web portion of the Internet (the "Web Site") as set forth or described in Schedule B hereto (the "Web Site Services") and to provide Client with additional services, if any, set forth or described in Schedule E hereto and mutually agreed upon in writing by the Parties (the "Additional Services"). The obligations of Developer, if any, to provide ongoing maintenance tasks for the Web Site shall be set forth and included as part of Additional Services on Schedule E hereto ("Maintenance"). The Web Site Services and the Additional Services are hereinafter referred to collectively as the "Services". Client agrees that Developer is responsible only for providing the Services, and Developer is not responsible for providing any services or performing any tasks not specifically set forth in Schedule B or Schedule E hereto.

2. Web Site Development and Transfer.

2.1 Specifications and Client Content.

Developer, in consultation with Client, shall prepare detailed written specifications for the Web Site (the "Specifications"). The Specifications shall consist of, among other things, a design for the Web Site, a flow-chart of the pages for the Web Site, programming and interactive feature requirements, and the placement of any content or other materials which are to be incorporated into the Web Site. The Specifications shall be subject to any restrictions or limitations set forth in Schedule B or Schedule E. The Specifications which have been mutually agreed upon by the Parties in writing shall be attached hereto as Schedule B and Schedule E. If the Parties are unable
