Proposal Packs

No matter how small or large your proposal must be, Proposal Packs include all you need to assemble your proposal in one affordable and convenient package.

This sample PDF file shows you three templates (Title Page, Executive Summary and Cost Summary) out of the entire collection of **over 400 templates included in each Proposal Pack.**

90 complete sample proposals (over 1000 pages of material) are also included with each Proposal Pack to illustrate how to assemble and write your own custom proposal.

See our web site for the complete collection of Proposal Pack styles:

<http://www.proposalkit.com/htm/packs.htm>

Using one Proposal Pack style and assembling your selected templates you can create many types of business proposals covering technical and non-technical proposals and product/service proposals for any type of industry.

Editable templates, samples and instructions are included in each Proposal Pack for creating:

-  General business proposals
-  Technical proposals
-  Government grant proposals
-  Non-technical proposals
-  Product sales proposals
-  Services proposals
-  Grant funding proposals
-  Business plan funding proposals
-  Book publishing proposals
-  Letter proposals
-  Sales letters
-  Short form agreements and quotes
-  Resumes
-  Buying/selling a business proposal
-  Business documents
-  Complex reports

The retail version of each Proposal Pack style includes the editable versions of these templates. Each style is sold separately and each style includes the complete collection of **over 400 templates** (i.e. Title Page, Executive Summary, Cost Summary, Benefits, Features, Resume, etc.). Using these templates you can create proposals ranging from one page to hundreds of pages in length depending on your needs (the average proposal uses 5 to 30 of these templates). Guidelines, examples and complete sample proposals are provided for various types and sizes of proposals.
