Project Management Pack is a collection of materials used to conduct an extensive interview, design a project storyboard; and then develop, deploy and market a project. Project Management Pack is intended to be used as the first step in the process of interviewing a client (or gathering information for internal projects) to assist in writing a business proposal or project design.

This document is meant for a description of the people your site will serve. We hope you can explain what purpose your site serves to its users and how to convey to them the proper information and tools to use it effectively.

What resources or services should your site provide?
