Project Management Pack is a collection of materials used to conduct an extensive interview, design a project storyboard; and then develop, deploy and market a project. Project Management Pack is intended to be used as the first step in the process of interviewing a client (or gathering information for internal projects) to assist in writing a business proposal or project design.

This document is meant for a general, handwritten description of your website's functions. Write text or draw diagrams, whatever you think is the clearest way to describe your ideas. Write as much as you'd like, but don't use extra pages: anything that wouldn't fit on this page is too complex for this initial summary.
