Braedan James Owner Washington Specialties 1325 Minor Avenue Seattle, WA 98101

Mr. James,

Thank you for taking the time to meet with me this week. I enjoyed discussing the history and goals of Space City Meals. Washington Specialties has made tremendous strides towards growth these past 7 years and I believe the addition of Space City Meals to your product line can help to take you to your next level of successful growth.

I have included our proposal for a standard product assortment that should fit your short term needs. Obviously moving forward we will want to increase the product assortment, quantity and delivery schedule to fit the individual needs of each of your store locations. Delivery of the initial order can easily meet your desired launch date of June 1. Your first delivery will be made on May 15 to your central distribution center in Seattle, WA. Future deliveries will be individually store shipped and arrive on individual schedules as you determine.

As you know, Space City Meals are specialists in creating unique food products that capitalize on the Seattle Space Needle landmark. Since our product delivery system is already in place, it is easy for us to deliver exactly what you need based on our discussions and we will be able to have your custom promotional materials and signage ready to meet your distribution needs well before your deadlines.

The cost summary is based on current pricing available for your standard product mix as selected and is valid for the next 30 days. The production schedule is based on a May 15 first delivery date.

I look forward to working with you.

Sincerely,

Jayden Cutter
