

PROPOSAL KIT SAMPLE

SAMPLE CONTRACT PACK DOCUMENT

Scroll down to read the first part of this sample contract document. When purchased, the complete contract is included in an editable Word format.

When purchased, the Proposal Kit Professional or Contract Pack will also include many related documents many of which are designed to work together.

For example, some documents are used in a longer sequence one after the other. Some include optional exhibit and schedules.

Also see this article for proposal and contract writing best practices:
