Mr. Kodak,

Congratulations on your recent awards for your dried fish and berry products.

Are you prepared to make big profits on your new products? These items are considered highly desirable in Asian countries such as China and Vietnam, and we are experts in developing strategic markets and exporting goods to those countries. We also import many of the products you sell in your Country Trading Centres stores on Vancouver Island, and we may be able to provide you with more cost-effective services than your current importer.

Please review the enclosed materials and contact us. We look forward to creating a mutually beneficial relationship soon.
