Karl Davinski
VP Operations
Freydom Systems
1087 Daylight Place
Suite 902
Bellevue, WA 98502

Mr. Davinski,

Please find enclosed my resume submitted in consideration for your position of Senior Design Engineer, as advertised in The Seattle Times.

I am an experienced software engineer with expertise in web applications and database design. My experience meshes perfectly with the requirements you listed in your ad. You can find more details about my skills and abilities on a website I've recently created: www.ChadGallegos.com

Although I am currently employed in a secure high-level engineering position at Sea2Sea Property Management in Portland, Oregon, my wife—also a software engineer—has recently accepted a position with a leading software company in Bellevue. We plan to move our entire family to the Bellevue area to be closer to her job and our respective extended families. Thus, no relocation expenses would be required, and I could begin work in the very near future.

I hope to meet with you soon.

Sincerely,

Chad Gallegos
Senior Software Engineer
Sea2Sea Property Management, Inc.

The rest of this sample is included in the retail Proposal Packs and Proposal Kit Professional bundle. Purchase any Proposal Pack in the design theme of your choice and you will have everything you need.

How do I customize or create my own version of this sample?

Using the included Proposal Pack Wizard is the best way to make customized versions of the samples. Using the Wizard and any Proposal Pack you can recreate any of the samples in the visual design theme you purchased as well as branding it with your own logo and design.

1) After purchasing, downloading, and installing your Proposal Pack and Wizard software add a new project in the Wizard.

2) Click the Pick Documents button then click the View Samples tab.

3) Select the title of this (or any other) sample and click the Import Content from Selected Sample button.

4) Customize the chapter list as needed to suit your situation. You can add additional chapters from the library of 2000+ topics, reorder chapters, remove chapters.

5) When you save your project, the Wizard will build you a custom version of this sample in the visual design theme Proposal Pack you purchased applying all your customizations (logos, font types, color schemes, contact information, etc.).

6) Open and edit the Word document to complete your work.

This sample is included in the Proposal Kit Professional and Proposal Pack products.

This sample has been truncated to only show the first few pages. The complete version of this sample including an editable Word version is included with all Proposal Kit Professional and Proposal Pack products found at:
